Dear Mrs. Manley;-

Received your letter of January 14th.

Referring to the two players you ask me to see,
I talked to both of them and I am sorry to tell you that,
outfielder Formental is going to play in Mexico this Su-
mer, like he did last year. And Fermin Guerra, the catcher,
who also played in Mexico last year, told me that he had
already signed with the Washington Senators of the American
league, to play next to summer.

With my best wishes, I am,

Sincerely yours,

Mike Gonzalez
